FINISH OPTIONS

Pli-Dek® Systems Inc.

succeeds in manufacturing the most durable and cost effective way to waterproof plywood and concrete decks, balconies, walkways, and roof decks. In addition, Pli-Dek® specializes in decorative concrete coatings as well as industrial/residential epoxy floor coatings.

WHETHER YOU ARE AN ACCOMPLISHED DESIGNER OR A DISCERNING HOME OWNER, PLI-DEK® PROVIDES ENDLESS DESIGN OPPORTUNITIES.

In choosing Pli-Dek®, aesthetic desires become reality for your waterproof deck coating and concrete coating needs. The decision is yours, select the standard finish or let Pli-Dek® meet your imagination with creativity.

IDEAL FOR:

- INTERIOR/EXTERIOR
- POOL DECKS
- BALCONIES
- DRIVEWAYS
- WALKWAYS
- PATIOS

STANDARD COLORS

* Available in cementitious tint viles. Actual colors will vary. Color appearance is affected by lighting, surface texture and method of application. Final color approval should be selected from physical samples. Custom colors available.

PD® STAIN

STANDARD COLORS

Pli-Dek's water based stains are a unique line of non-acidic polymers designed to penetrate a concrete surface to create vibrant color accent for virtually any concrete surface. The PD Stains offer endless design opportunities for the Pli-Dek polymer cement finishes. Once sealed with the recommended Pli-Dek clear sealer, the PD Stain offers a UV resistant antique effect that offers a permanent enhancement for concrete surfaces.

Colors will vary. Color appearance is affected by lighting, surface texture and method of application. Final color approval should be selected from physical samples. Custom colors available.
